XI AN BELLAVIE AND SUNBRIGHT GROUP CO., LTD.

BS group is a leading and professional electric heating products supplier in China.

We are focusing on the production of heating items for both 220-240V and 100-120V markets. The customers from Europe, North America, Australia, Asia, South America and South Africa all enjoy great cooperation with us. We have full set and latest certificates including CE, GS, EMC, CB, SAA, CCC, ROHS, REACH, UL, CUL, ETL, CETL, FCC, FDA, which can meet every customer's requirement.

OUR OWNED 2 FACTORIES AND R&D CENTER ARE LOCATED IN DONGGUAN.

We have the plant area 50000 sqm, more than 300 professional staffs who are working at administration, purchasing, production, finance, QC, R&D, after-sales departments. We owned many unique, customized leading machines such as ultra-sonic welding machine, special punching machine, quilting machine, automatic embroider machine, cutting machine. The R&D center was created to provide technological support, which has various professional tests including the heating wire bending test, simulated marine environment test, heating pad bending, twisting & folding test, temperature test, aging test, running test, with same testing standard as TUV SUD, Intertek and other qualified testing labs.

Our production ability is 5000-8000pcs heating products per day. In the peak season, the sufficient preparation, highly efficient production, vast warehouse could assure our customers timely delivery.

With advanced production equipment, mature technology process, strict management system, and rich industry experience, we are not only confident in supplying qualified heating items to all of our customers, but also concentrating on offering continuous innovations and reliable service.
